

MONTESSORI MONTHLY

The Official Newsletter of Atlantic Montessori Charter School

The Focus Parent Portal is your gateway to staying connected with your student's educational journey in Broward County Public Schools.

For the first time, parents/guardians with multiple students will be able to access all their students in one place.

The portal will allow you to monitor your student's academic progress, stay informed of upcoming school and district events, and allow you to communicate directly with your student's teachers.

WHAT IS ISIP?

ISIP is computer-adaptive and reacts to each student's answers, making it "adaptive" or personalized. If a student answers a question correctly, the next question will be more difficult. If a student answers a question incorrectly, the next question will be less difficult. This provides a clear picture of what each student knows and is ready to learn next.

Your child will use an app on their device to take the ISIP assessment, which takes about 30-40 minutes to complete. Encourage them to do their best. It is expected that they may not know all the answers.

Please do not help them answer questions during the assessment. Students cannot pass or fail this test; it is simply meant to help teachers make instructional decisions for your child.

Students should be completing I-Station at home as prescribed by the teacher. See teacher for login.

TEACHER SPOTLIGHT

SHINING A LIGHT ON OUR OUTSTANDING EDUCATORS!

DAVIE CAMPUS

Ms. Rashavia Peterson - Kindergarten Teacher

I've spent over 10 years working in early childcare, including more than 8 years as a private nanny. I've completed 45 DCF hours, hold CPR certification, and I am currently attending Broward College to further my knowledge in this field.

Beyond my professional background, I'm the proud owner of Ohh Little Ones, a themed sensory class business where I offer parties, 1:1 classes, and caregiver + me sessions. For the past two years,

I've also hosted a fun Halloween-themed event through the business. When I'm not working, you can usually find me baking, reading, or enjoying brunch—my favorite meal of the day! I love neutral colors, reality TV is my go-to for unwinding, and if there were an award for sleeping, I'd win it hands down!

PINES CAMPUS

Ms. Jayla Conde - 2nd Grade Teacher

My name is Jayla Conde, and I am deeply passionate and dedicated to my work in the education field, where I've spent five fulfilling years. For the past four years,

I've been teaching, and I am currently ESOL and reading endorsed. Besides my professional life, I love traveling and make it a point to visit Disney World whenever I get the chance. In my spare moments, I also enjoy immersing myself in a good book.

SCHOOL IMPROVEMENT INITIATIVES!

Introducing our latest tech upgrade for your child's classroom experience! We now have a mobile cart with 40 laptops available to students, in addition to the existing classroom computers. Plus, with enhanced WiFi, students can access learning resources faster and more efficiently than ever before. This means more hands-on time with technology, fostering digital skills that will prepare them for the future.

UP COMING EVENTS
